

Our Vision: Children, youth and their families have timely access, in a stigma-free society, to services which enable them to develop resiliency and optimal mental health.

Our Mission: To improve the mental health of children, youth and families in York Region by providing the highest quality preventative, therapeutic and educational interventions developed together with families and community partners.

- ▶ **Objectives:** Create a therapeutic outdoor recreation area for children & youth
- ▶ Expand parking facilities
- ▶ Increase base budgets to increase service capacity, enhanced training in evidence informed practices and provide appropriate staff compensation
- ▶ Application of a population needs-based funding formula for children’s service in York Region
- ▶ Expand and diversify sources of funding
- ▶ Increase funding for diversity services

Goal: Secure sustainable funding to best meet the mental health needs of the children, youth and families served by TYC

Goal: Increase awareness of Children’s Mental Health issues and TYC’s contributions to families and the community

- ▶ **Objectives:** Build and enhance relationships with key stakeholders
- ▶ Advocacy with public officials to increase mental health awareness
- ▶ Communication – formalize external communication activities and ongoing internal communication with staff

- ▶ **Objectives:** Provide ongoing professional development opportunities
- ▶ Maintain an environment/culture of trust and transparency
- ▶ Enhance staff recognition and wellness

Goal: Maintain and enhance an environment where highly skilled staff are valued, engaged and energized to reach their potential.

Goal: Pursue excellence in providing evidence-informed services to better serve children, youth and families.

- ▶ **Objectives:** Ongoing evaluation of need for and effectiveness of services/procedures
- ▶ Improved access to appropriate service
- ▶ Improve internal case management systems

Goal: Work together with the community to achieve the best possible treatment outcomes for children, youth and their families.

- ▶ **Objectives:** Develop common system of access to services to ensure clients can find most appropriate resources for their needs
- ▶ Develop a system of engaging and maintaining relationships with all significant collaborators to achieve better client treatment outcomes
- ▶ Develop a system for effective post-treatment transition
